

INTERMEDIATE ARCHITECT

Lead. Design. Innovate.

Lydon Lynch Architects is seeking dynamic, energetic and creative people to join our studio.

Lydon Lynch is a Halifax based firm with a reputation for creating exceptionally designed, sustainable buildings in Atlantic Canada. We are a studio-based practice with a focus on collaborative design and implementation to ensure consistency from conception to realization. Our practice includes a diverse range of building types including cultural, educational, commercial, multi-residential and institutional.

As a progressive architectural firm, we believe that high quality design depends on high quality documents.
